HYDROPHOBE TOP

NEXT TO SKIN 50065 & 5006

When involved in high performance sailing, you need gear which is going to perform with you. New for 2018, the Gill Speedskin Top is made with lightweight neoprene, which remains breathable and comfortable, allowing you the freedom to move. Packed with features, this top offers UV 50+ protection and is both wind and waterproof, so that you can commit to your performance all year round. A glideskin neck seal completes the design to further prevent water ingress whilst remaining comfortable next to the skin.
